Is Jennifer Randazza a Slut? Do Babies Really Come from Alcohol? Is Marc Randazza Really a Double Talking, Hypocritical Asshole?

Accidentally has a Baby in a Drunken Tryst of **"let's go take a nap"** and that's true love and oh so lucky.. hmmm.. no wonder Hypocrite [Marc Randazza](#) is defending Rush Limbaugh's right to Call Sandra Fluke a Slut

It seems that [Marc Randazza](#) **knocked up a Slut** in a **"particularly spirited drunken tryst"**, and then made an "honest woman" of her, cuz um they "might as well".

I wonder what **Hypocrite Double Talking Marc Randazza** would do if Some Blogger, Say Crystal Cox, Called [Jennifer Randazza](#) a Slut. I mean it sure seems pretty slutty to me to ... to get drunk, fuck, and then oops pregnant, and well I guess I better Marry Her, make an **"honest woman"** of her, **"might as well"**. I suppose it would PISS Dumb Ol' Marc Randazza off if I Called Jennifer Randazza a Slut, and if I did so on a Blog Hosted on a Domain Name such as **JenniferRandazzalsASlut.com**, is that my right of Free Speech, will you defend me asshole? Or just Rush Limbaugh for Calling a Woman a Slut?

Well I won't Be registering that Domain Name, Figured I would Use JenniferRandazza.com instead.

And gee if only Jennifer Randazza had used Contraceptive, then Baby Randazza may have never been BORN and Jennifer Randazza would not be in the "we might as well" marriage to THUG, Bully, Hypocrite and Egotistical Maniac Marc Randazza.

WoW, Conceived in Cabo San Lucas, Mexico, how Special is that. And on a Drunken Tryst Says Daddy Randazza. And Check out the Picture of a Mixed Drink and Mar Randazza's Charming Headline of "Where Babies Really Come From". No wonder Hypocrite Marc Randazza is on the side of Rush Limbaugh in the Sandra Fluke Slut Scandal.

Here is a QUOTE from the Marc Randazza, **I KNOCKED up a Chick Drunk** and Yahooooo .. We **Gettin' Hitched** Story, in Marc Randazza's own words.

"The Most Amazing News..."

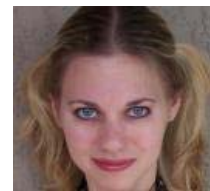

This has nothing to do with any legal issues, but I just so happen to be exploding with joy and happiness right now — and wanted to share it with the whole world.

This February, the First Amendment Lawyers' Association meeting was in Cabo San Lucas, Mexico. As the meeting date also coincided with my girlfriend's birthday, I made it a twofer.

Where babies really come from

While we were there, Jennifer conceived. According to the gynecologist, the date of conception was Feb. 22, 2008 — which makes a lot of sense, because we had a particularly spirited **drunken tryst** that day. Yep, some great scuba diving, some great mojitos with some of my best friends, a little whisper of **"lets go take a nap,"** in my ear, and a new life begins. Wow.

Mrs. Legal Satyricon

No, it wasn't planned... but that doesn't diminish the joy one bit. Nobody plans to win the lottery either — and this beats the living daylights out of winning the lottery! This just shuffled up the order of our plans a little bit.

And yes, I'm making an **"honest woman"** out of her. So it looks like at the tender young age of 38, I'm getting tied down...hitched... off the market. I'm a bit stunned that she said "yes," since I managed to stammer and stutter out the worst proposal ever offered to a woman. It was pathetic... really really bad. I think that the words **"might as well"** were used."

Source of Marc Randazza, Jennifer Randazza Drunken Tryst, "honest woman" out of her quotes above <http://randazza.wordpress.com/2008/03/22/the-most-amazing-news/>

WOW, what a Romantic Fuck Wad. We Dunn Fucked up on a Drunken Tryst with unprotected Sex and got ourselves a baby, May as well Marry Ya

and make youse an "honest woman".

Hmmm.. Again, No wonder Marc Randazza LOVES to Defend Rush Limbaugh for Calling Sandra Fluke a Slut, See Cuz it looks Like Ol' Marc Randazza Married up His "Slut" to make her an honest woman and all.

How about this Domain Names FUCKHEAD, maybe you can get your Buddy [David Aman](#) to take them from me and Give them to YOU, for FREE, cuz your so Damn DUMB

[www.JenniferRandazza.com](#) - And After My "OUR Fun Time Deposition", I will Be buying MarcRandazzaLies.com - MarcRandazzaRapedandMurderedAYoungGirIn1990.com (thats ok with you RIGHT Fuckhead) .. oh and that reminds me of another one FuckheadMarcRandazza.com - HypocriteMarcRandazza.com - MarcRandazzISaGreasyMotha.com - MarkRandazzSickFuck.com - MarkRandazzaBetraysClients.com - **I am Giddy with Ideas**, may have to GO without FOOD, but that's ok, as long as I can buy Marc Randazza Domain Names, I mean domain names with Marc Randazza's Name in it. Though, whiny baby Marc Randazza says I have no right to buy a Domain Name with Marc Randazza's name in it, SEE that was just a Big BULLY Attorney Bluff, knowing full well that Marc Randazza Defended **Isaac Eiland-Hall** regarding the buying, owning and using the domain name "[www.GlennBeckRapedAndMurderedAYoungGirIn1990.com](#)" , yet Marc Randazza emailed me and told me I have no right to own a domain name that resembles his name. Talk about Double Standards.

So [Marc Randazza](#), infamous for Getting Off **Isaac Eiland-Hall** (no Porn Pun Intended), anyway Marc Randazza represented **Isaac Eiland-Hall** in a WIPO Case to Battle for **Isaac Eiland-Hall's** right to have bought, owned, and used the domain name "[www.GlennBeckRapedAndMurderedAYoungGirIn1990.com](#)" , yet Hypocrite Marc Randazza has a major TIRADE, and Tries to Run A Bluff, when [Blogger Crystal Cox](#) buys Marc Randazza .com.

So Marc Randazza SEEKS OUT REVENGE and works directly with the **Plaintiff in Obsidian Vs. Cox**, in a deal to Secure Marc Randazza .com. Meanwhile Crystal Cox Registers the Domain Name [FuckMarcRandazza.com](#), [MarcRandazzaSucks.com](#), [MarcJrandazza.com](#), [MarcJohnRandazza.com](#), and this is to Expose the tactics of Marc Randazza so that other potential clients are not misled, tricked, used, lied about, run over and deceived by [Marc Randazza](#).

Stay tuned as **ENEMY of Marc John Randazza**, Mad Dog Blogger Crystal Cox has Called WAR with Marc Randazza, and **I will Expose Every SECRET** handshake and dirty deal, and if Marc Randazza has me KILLED, my Legacy will Continue, as I, Crystal Cox Investigative Blogger am the TRUE Defender of Free Speech and First Amendment Rights and Marc Randazza is simply a FRAUD, a Media WHORE Seeking Business in the name of Greed and EGO, while I Crystal Cox Defend Victims everywhere of the Injustice of the Culture of Corruption in America, for FREE.
